Director of Communications

Comptroller

Planning for Procurement for Communications Type Equipment, Balance Fiscal Year 1960

REF : (a) Memo dtd 29 Mar 60 to D/CO, LOG, TSD and MED fr Compt
(b) Memo dtd 15 Apr 60 (OC-9241) to Compt fr D/CO

1. Reference (b) requests an increase of approximately $250,000 in the previously approved Communications procurement planning figure for Fiscal Year 1960 of [redacted] A review of the amounts presently available for commitment to the bulk stock accounts indicates that some increase is possible, but in view of other possible demands upon these funds an increase of only $150,000 can be assured at this time. It is assumed that this will permit you to proceed with the acquisition of the AS-3's as proposed. At a later date both your requirements and the Agency's fund resources will be more readily apparent and an additional increase may be possible. 25X1A1a

2. This action revises the Communications procurement planning figure for Fiscal Year 1960 as established in reference (a) to [redacted] 25X1A1a
